11. CANCELLATION

Cancellation deadline: 3 weeks prior to publication date.

12. ERRORS AND CLAIMS

Claims regarding advertisements should be made within 14 days of publication or the scheduled date of the advertisement.

Puumies strives to publish all accepted advertisements on the dates agreed. If an advertisement cannot be published due to production or other operational reasons (e.g. strike) or for reasons due to the advertiser, Puumies is not liable for any damages the advertiser may be caused.

Puumies is not responsible for errors in advertisements due to incorrect material, indistinct handwriting or language or translation errors if the text is translated for free by the publisher. In the event of an error or omission of the advertisement the publisher's liability shall in all cases be limited to repaying any amount received for the advertisement.

13. ATTENTION VALUE OF ADS IN PUUMIES

According to Reader Survey*, the advertisements in Puumies are well noticed and have direct effects on the readers.

PUUMIES – the leading professional journal for Finnish wood products industry since 1955

Puumies is the leading and highly respected journal for wood industry professionals in Finland.

The journal appears 10 times a year, presenting the latest news on technology, trade, products, companies and people in wood products industry.

Puumies is the only woodworking journal in Finland to have all the important organisations and associations as partners:

- Finnish Forest Industries Federation
- Finnish Sawmills Association
- Finnish Wood Preserving Association
- Puuinfo Ltd
- Finnish Woodproducts Industries
- Furniture and Joinery Industries
- Finnish Timber and Builders' Merchants Association
- Finnish Woodworking Engineers Association
- The Association of Finnish Sawmillmen

Puumies was established in 1955.

Subscription price 2017: in Finland € 60, abroad € 65.

The content covers the entire industry – from forestry to end user markets

The coverage of Puumies ranges from forestry and bioenergy, through sawmill and further processing industry to furniture and joinery industry, timber and building trade and wood construction.

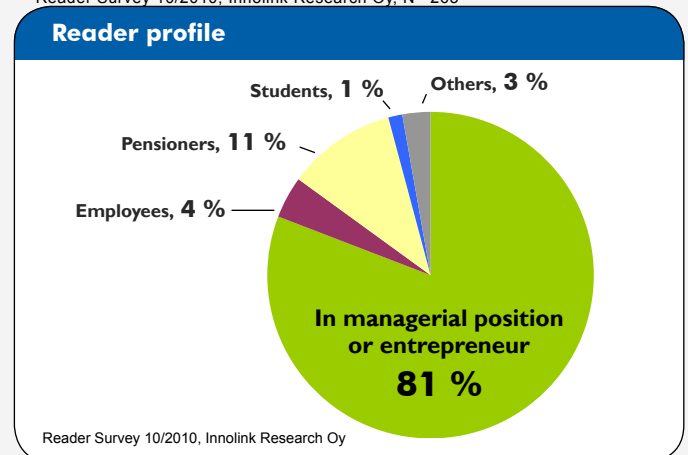

We also present the latest news on research and development, logistics, education, culture etc. All the articles are written by experts.

Every issue reaches at least 6 500 readers

According to Reader Survey* every issue of Puumies reaches at least 6 500 readers. **The circulation is based on paid subscriptions and membership.** In addition to normal circulation, Puumies is distributed at various events.

The readers of Puumies are decision makers and professionals working in sawmill, plywood, wood construction, furniture and joinery industries, forestry and timber trade. The readers are entrepreneurs, managers, directors, specialists, teachers, designers, researchers and sales and marketing people.
